

R E M A R K S

The above amendment is submitted in response to the Examiner's Action of 25 February 2004. In that Action, the Examiner rejected claims 1-5 under Heffington or Thrun or Miller. Claims 6-10 were objected to as being dependent upon a rejected base claim.

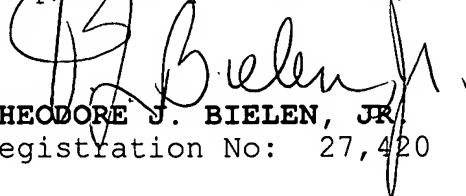

Applicant is submitting an amendment to the application in which claims 1-10 have been canceled and claims 11-15 are newly submitted. In essence, newly submitted independent claim includes the elements of original claim 1 and 6.

Thus, it is believed that claim 11 and dependent claims 12-15 are now allowable.

The specification has also been amended to include grammatical corrections and the addition of reference characters for the sake of clarity.

It is believed that the application as amended and the newly submitted claims 11-15 are allowable. The passing to issue of the application at an early date is earnestly solicited.

Respectfully submitted,
